E-Examiner S-Student

E: I'd like to ask you some questions, first of all, about yourself. Let's talk about what you do. Are you a student?

S: **Yes**, I'm a student at the Education University of Hong Kong. (4.06s)

E: What subject do you study?

S: The programme name is called Bachelor of Arts in Creative Arts and Culture, **and** specifically I major in Music. (6.83s)

E: What will you do with your degree after you've finished your studies?

S: Not necessarily what I will do in my degree. I actually plan on pursuing a master's after I graduate this summer. (8.89s)

E: Why?

S: Why? It's **kind of** hard to say, **but** ... in Hong Kong, it's **kind of like** a ... I wouldn't say, **like** a minimum requirement, **but** I feel **like** it's a social pressure that you must pursue a master's in order to secure a so-called more qualified job or more better job for ... that pays well. **Yeah**.

(21.36s)

E: Let's talk about free time activities. What do you like to do in your free time?

S: In my free time, I like to play tennis. I like to play the piano, obviously **because** I'm a Music major **and** I like to watch all of YouTube. **Yeah**. (11.62s)

E: Do you prefer to spend most of your free time indoors or outdoors?

S: Really depends on the weather. If it's like now, I prefer to spend it outdoors. But if it's **really, really** hot, then I prefer indoors with air-con on. (13.04s)

E: What did you like to do in your free time when you were a child?

S: From what I can remember ... also playing tennis, watching TV and spending time with my sister. I have a younger sister. (11.85s)

E: What do you plan to do in your free time this weekend?

S: This weekend ... probably preparing for the semester that is starting on Monday. **Yeah**. (9.74s)

E: Let's talk about travel. Do you like to travel?

S: I do like to travel **when** I'm allowed to. **But** ... I love exploring places and, **yeah**. (7.91s)

E: Why?

S: Why? I feel **like** it gives like ... it gives me a sensation that you can't really experience **when** you're homes ... you ... I see ... it opens your ... **sorry, I think** it ... it **kind of** ... broadens your ... field of thinking. I don't know how to describe. **Like** it makes you think a lot more ... makes you ponder about the world. See what you haven't explored. (39.59s)

E: When tourists come to your country, where do they like to go?

S: **When** tourists come to Hong Kong, they like to go to the peak. They like to go to Victoria harbour, Central. The star ... they like to take the Star Ferry. They like to go to the city. (15.31s)

E: Is traveling abroad popular in your country, in Hong Kong?

S: It is popular, **I'd say**, majority of us are fortunate to be ... fortunately to be able to afford it. **Yeah**. (9.59s)

E: Where would you like to travel to in the future?

S: I'd like to go to Europe. I'd like to take a tour around the whole of Europe **if** I'm allowed to **and if** I am fortunate enough to, **because** it's just ... there's so much to explore. (14.58s)
