E-Examiner S-Student

E: And now I'm going to give you a topic. And I'd like you to talk about it for one to two minutes. Before you talk, you'll have one minute to think about what you're going to say and you can make some notes if you wish. You understand?

S: Cool. Yes.

E: I'd like you to talk about the type of clothing you like to wear. So first of all, you have one minute to prepare. (*After one-minute preparation*) All right. Now remember, you've got one to two minutes for this so don't worry if I stop you, I'll tell you when the time is up. Can you start speaking now, please?

S: Yeah, sure. So I would like to tell you the type of clothing, clothing **I like to wear**. So **as I**  
[SUB-relative clause]

**said before**, I'm a person that under ... a person **that love Japanese and Korean drama**, so I'm  
[SUB-adverbial clause] [SUB-relative clause] [loves] [dramas]

**affected** a lot by their clothing. So, for example ... like the brand **I love a lot** is Uniqlo. It's  
[CVG-passive] [SUB-relative clause]

from a ... it's a Japanese brand and I think **their clothing is very awesome** ... is very cheap, but  
[SUB-noun clause]

the quality is very high as well. So for example, talking like the colour and their style,

**^is keeping** in a very simple and ... simple way. So the colour is usually just a white, navy blue  
[they] [are] [kept]

and also the black one as well. In their clothing is ... **^usually is** without a **patterns**, so it is ... I  
[it usually is] [pattern]

think **it's very ... really good for it**. And about the cutting of the clothing, it's really simple and  
[SUB-noun clause]

really sharp ... **didn't** have a lot of **layer**. And under this brand, there **is** a **lots** of like ... they sell  
[doesn't] [layers] [are] [lot]

jeans and I like their jeans as well **because I think this is ^kinda things** that it will go ... it ...  
[SUB-adverbial clause] [these] [are] [the kinda] [SUB-noun clause]

**which is very popular in Hong Kong right now**. And yes, **this is** all the things **that I would like to**  
[SUB-relative clause] [are] [these] [are] [SUB-relative clause]

tell you about the types of ~~the~~ **clothing I love to wear**.  
[SUB-relative clause]

E: Can you just say a little more about it, please?

S: Okay. And also I would like to introduce some clothing about **^Hong Kong people** love to  
[that Hong Kong people]

wear as well, **because Hong Kong people are the people ... Hong Kong people love doing sports**,  
[SUB-adverbial clause]

they would like to wear hoodies and also trainers in their day, daily life, but ...

E: Thank you. Thank you.
